STAR PICKETS

Strong and lightweight, complete with pre-drilled holes for fixing wire, barrier mesh etc. Suitable for civil, construction, industrial, fencing, formwork and DIY hardware applications. Available in a range of lengths. Sold in packs of 10 or sling of 400.

LENGTH	CODE	LENGTH	CODE
450mm	CCI450	1500mm	CCI1500
600mm	CCI600	1650mm	CCI1650
900mm	CCI900	1800mm	CCI1800
1350mm	CCI1350	2400mm	CCI2400

STAR PICKET EXTRACTOR

The Star Picket Extractor makes it easy to remove star pickets from hard soils without bending or twisting the post. This simple but effective device turns a labour intensive job into a cost effective, time saving job and at the same time is very easy to use.

CODE: CCISPE

SAFETY CAPS - ROUND/TRIANGULAR

Bright yellow for high visibility and increased safety, these safety caps act as a visual deterrent/warning and protect against the sharp edges and ends of reo bar and star pickets. Uniquely designed internal fins ensure the caps hold in place so there is no need to tie down. Ideal for 12-20mm reo bar and star pickets. Sold in individual packs of 100 or 5 packs per carton.

CODE: ROUND - CCISPCRD, TRIANGULAR - CCISPCT

STAR PICKET DRIVER

A heavy duty driver that provides an easy way to drive star pickets into varying ground types. The design and weight of our driver means that the user only needs to lift the driver over the star picket and let the weight of driver do the work, ensuring pickets are secured firmly in the ground.

- Heavy steel construction
- Large handles ensure ease of use
- Minimises damage to tops of star pickets
- Available in powder coat or galvanised.

CODE: CCISPD

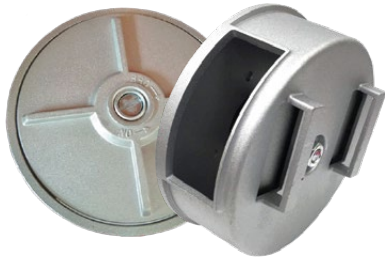

MARX SPOT AND SURVEY MARKING PAINT

An easy to use spray paint designed to be used upside down. Ideal for construction site layout, marking trenches, perimeters etc.

- Toluene-free formula
- High opacity, high quality, true colour
- Classic and fluro colours available

TIE WIRE REEL

Designed for durability and strength, our reel has a smooth winding action and built in belt loops.

CODE: CCITWR

TIE WIRE - BELT PACK

Perfect for concreting and general construction. Made from strong durable steel and designed to fit into Tie Wire Reels. Black Annealed, Galvanised or Stainless Steel available - 1.57mm x 95M.

BLACK ANNEALED TIE WIRE COILS (50Kg)

Available in 2.5mm and 3.15mm rolls (50kg/600mm diameter).

CODE: 2.5mm: CCICOILTW
3.15mm: CCICOILTW-2.5

BUILDERS PLASTIC

Medium and high impact builders plastic available in clear and black. Waterproof properties make this ideal for under slab/concrete use in general construction and protection. Meets Australian standards.

POLY SILT BAGS

Trap silt and sediment easily with our (WPP) woven polypropylene silt bags. Simply fill, tie and position. Strong woven selvedges and UV stabilised fabric ensures a reliable and durable product.

CODE: CCISBE

HESSIAN SAND BAGS

Constructed from high quality, heavy duty hessian, our bags have tie ropes and herracle sewn sides and base. They are ideal for raised banks, trenches, temporary walls and flooded areas to prevent migration of soil/ sediment. Size: 33" x 14".

CODE: CCIHSB

POLY SAND BAGS

Constructed from UV stabilised, tear resistant, woven polypropylene, with nylon PE rope ties. These bags are ideal for raised banks, trenches, temporary walls and flooded areas to prevent migration of soil/sediment. Size: 84cm x 35cm.

CODE: CCIPSB

BULK BAGS

Plain white, open top FIBC/bulk bags with 1.5 tonne capacity and four standard lift loops. Size: 120cm x 90cm x 90cm. More sizes/styles available.

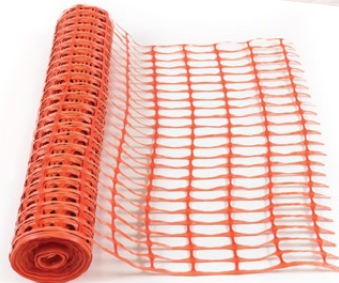

CODE: CCILBB1500

ONION MESH

UV Stabilised woven polypropylene onion mesh is ideal for short term projects. Manufactured with three bright red and yellow strips and 10mm flat black tape top and bottom. Size: 90cm x 50M rolls.

CODE: CCIOM

BARRIER MESH

Heavy duty, UV treated extruded design. Excellent visibility for hazardous areas, Made for Australian conditions and complies with Australian Standards AS1742.3. Size: 1M x 50M, 5Kg or 8Kg roll.

CODE: 5Kg: CCIBM5, 8Kg: CCIBM8

BUNTING/FLAGGING - 100M REEL

High-vis fluro orange, UV stabilised, PVC triangles on heavy duty, nylon rope. Reuse and rezone with ease and speed utilising the 100M long reel.

CODE: CCIBUN100

BUNTING/FLAGGING - 30M REFLECTIVE

High-vis fluro orange/yellow, UV stabilised PVC triangles, reflective tabs, heavy duty reusable nylon rope. 45 flags/roll.

CODE: CCIBUN30DN

NIGHTLINE REFLECTIVE BUNTING

Providing the highest level of night time visibility and delineation with Class 1 reflective tags. Supplied in 25M lengths.

CODE: CCINL25

BUNTING/FLAGGING - 30M

High-vis fluro orange, yellow, green, blue, UV stabilised PVC triangles, heavy duty reusable nylon rope (45 flags/roll).

COLOUR	CODE
Orange	CCIBUN30
Yellow	CCIBUN30YEL
Green	CCIBUN30GRN

2 Way Red/White	CCISTOMP-2W-R/W
2 Way Yellow/Yellow	CCISTOMP-2W-Y/Y

SLOW AND STOP PADDLES

Double-sided hand held traffic paddle with aluminium telescopic handle and 3M Class 1W retroreflective. Sign face meets/exceeds requirements of AS1743:2018

CODE: CCISSP450

TRAFFIC CONE EXTENSION BAR

Extendable from 135cm - 210cm. Made from durable yet lightweight ABS plastic with 15cm high-vis yellow reflective bands and rubber loops on each end.

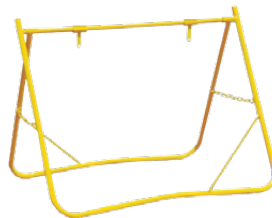

CODE: CCITCB

BARRIER BOARD/LEGS

This 2.5M unidirectional PVC barrier board features Class 1W yellow reflective (QLD Road Shoulder) chevron strips. Powder coated steel legs (sold separately).

CODE: BOARD: CCIBB1W, LEG (EACH): CCIBBL

SWING STAND

Made from heavy-duty, powder coated galvanised steel with adjustable swing arm and weighted base.

SIZE	CODE
600mm x 600mm	CCISS6X6
900mm x 600mm	CCISS9X6
1200mm x 900mm	CCI12X9

MULTI-MESSAGE FRAME/Y- FRAME LEGS

With a steel construction, this 1270mm x 935mm frame has the capacity to display three signs.

Signs not included

Steel Y Frame legs sold separately

CODE: FRAME: CCIMMF, LEGS (PAIR): CCIYFL

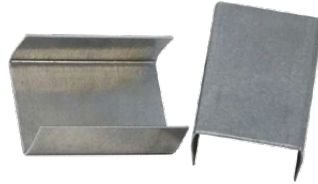

TRAFFIC/ROADSIDE PRODUCTS

STEEL STRAPPING

Ribbon wound steel strapping.
Size: 19mm x 15Kg Roll.

CODE: TAP0101

STEEL STRAPPING CLIPS

Snap on Steel Strapping Clips to suit 19mm strapping.

Sold in boxes of 1000

CODE: TAP0102

STEEL STRAPPING STAND

Heavy duty, metal A frame style Steel Strapping Stand suits 19mm strapping.

CODE: TAP0107

PALLET WRAP

This 25um Pallet Wrap is available in black or clear and comes in 350M long rolls.

CODE: CLEAR: TAP0103, BLACK: TAP0104

CABLE TIE GUNS

A range of guns in metal or plastic to suit your needs.

TYPE	CODE
Light Duty 2.2mm x 4.8mm	CTGLD
Plastic 2.2mm x 4.8mm	CTGPLASTIC
Metal 2.2mm x 4.8mm	CTGMETAL
Metal Heavy Duty 9.0mm	CTGHD
Stainless Steel Heavy Duty 7.9mm	CTGSS

STEEL STRAPPING TENSIONER

Steel Strapping Tensioner to suit 19mm strapping.

CODE: TAP0108

STEEL STRAPPING CRIMPER

Steel Strapping Crimper to suit 19mm strapping.

CODE: TAP0109

PREMIUM PVC DUCT TAPE

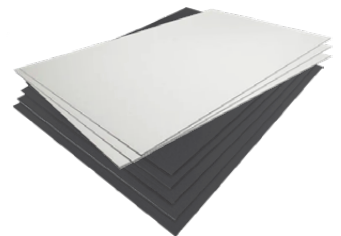

Our 130um tape is manufactured with a strong, natural rubber adhesive backing, that enables it to seal and join on wide variety of surfaces. Risk of Hazardous Substances (ROHS) compliant, so it is lead, cadmium and mercury free. Size: 48mm x 30M

CODE: SILVER: CCITDT30, BLACK: CCITDT30BLK

CABLE TIES

Ranging in lengths from 100mm - 1550mm and 2.5mm - 13mm wide. Black/natural/coloured UV treated and Stainless Steel options. Available in packets of 100. Visit our website for our full range.

CORFLUTE SHEETS

Coreflute Sheets 1830mm x 1220mm x 3mm. Pack of 20.

CODE: BLACK: CCICORF, WHITE: CCICORF-W

CCI Supplies is a one-stop shop providing premium quality, highly specialised, certified products for all your construction, civil and industrial supply needs.

Every item meets minimum AS/NZ standards, along with many other stringent certifications and standards, ensuring you receive quality products at competitive pricing.

Our global procurement team can source new products or brand products with your company logo utilising our OEM facilities. CCI Supplies provide a very high level of customer service, attention to detail, quality products and dedication to our customers' needs.

Whatever your construction, civil or industrial requirements, we source the supplies you need from the best and most reliable outlets and manufacturers across the globe and can ship directly to you with local and interstate freight options available.
